#### MANUFACTURE AND AGING

Choice early vintage. Cluster refrigeration at 6 degrees Celsius for 16 hours. Direct pressing of complete cluster. Placed in vats and deflated at 6 degrees Celsius. Alcoholic fermentation at low 14 degrees Celsius temperature.

#### WINE TASTING NOTES

Tudor rose color. Strong aromatic intensity in which nugget fruit aromas such as strawberry and cherry intermingle with floral notes such as honeysuckle and roses. It's sweet and fresh in the mouth with a round and ample finish. Serving temperature of 46°-50°
